

SARASWATHI COLLEGE OF PHARMACY

ANNUAL REPORT

2023-24

Our Pioneers

Dr. J. Ramachandran Founder Chairman, SCOP Chancellor,
AMET University, Chennai. President,
New era Association of Educated Self- Employed Youth (NAESEY)

Ms. Ramya Ramachandran Vice-Chairperson,
SCOP

Mrs. Susheela Ramachandran Managing trustee,
SCOP Managing Trustee, AMIT University

Dr. Rajesh Ramachandran Trustee,

SCOP Pro Chancellor,

**AMET University, Chennai Vice- President, New era Association of Educated Self -
Employed Youth (NAESEY)**

ANNUAL REPORT

- Saraswathi College of Pharmacy, established in 2019, is a premier pharmacy institution that offers quality education and personal growth.
- It holds approval from the Pharmacy Council of India (PCI) , affiliated with Dr. APJ Abdul Kalam Technical University (AKTU) and the Board of Technical Education (BTE).
- The college runs D.Pharma, B.Pharm, program.

❖ Vision:

our vision is to nurture individual excellence through value-based, cross-cultural, and holistic education, integrating advanced technology with strong spiritual and ethical values. We strive to develop highly skilled and professional pharmacists who contribute to a peaceful and sustainable global civilization.

By fostering academic excellence, innovation, and moral integrity, we aim to establish Saraswati College of Pharmacy as a center of excellence, empowering the younger generation to become responsible global citizens, capable of meeting the evolving challenges of the modern world.

❖ Mission:

The mission of Saraswati College of Pharmacy is to provide quality education while instilling professional ethics, values, and sound knowledge in students. We aim to foster self-esteem and societal development, shaping responsible and skilled professionals for the future.

Our pharmacy program is designed to equip students with theoretical expertise, practical training, research exposure, and entrepreneurial skills. By promoting innovation and continuous learning, we prepare students to excel in the pharmaceutical profession and adapt to the evolving industry landscape.

❖ Core values:

At Saraswati College of Pharmacy, we are committed to upholding the following core values:

- ◆ Respect – We honor the dignity and worth of every individual.
- ◆ Ethics – We uphold the highest personal, professional, and ethical standards, fostering honesty, courage, and trust.
- ◆ Innovation – We continuously embrace technological advancements and creative ideas to enhance pharmacy education.
- ◆ Leadership – We empower students with training for personal development, leadership, and interpersonal skills.
- ◆ Teamwork – We promote collaboration among students, faculty, staff, and management to achieve shared goals.
- ◆ Accountability – We believe in responsibility and integrity, ensuring that faculty, staff, and students are accountable to each other.

MESSAGE FROM PRINCIPAL'S DESK

DR. A.P.J. ABDUL KALAM TECHNICAL UNIVERSITY, UTTAR PRADESH
Jankipuram Vistar, Sector-11, Sitapur Road, Lucknow, 226031.

9-11-2023

S.N.	Particulars	Dates	
		Odd Semester	Even Semester
01	Commencement of Classes for Academic session 2023-24	August 16, 2023 all VII & IX Semester students	Feb. 16, 2024 for IV (Except B. Tech, B Pharma & MBA, MCA), VI, VIII & X Semester students
		Sep. 01, 2023 all III, V Semester students (EXCEPT MBA, MCA)	Apr. 04, 2024 for All II, IV (B. Tech, B. Pharma, MBA, MCA) Semester students
		Oct. 01, 2023 All III semester MBA, MCA courses	
02	Last date of fresh admission and Commencement of Classes for First YEAR all courses	Oct. 30, 2023*	
03	Last date of submitting admission list of students to university (for newly admitted students)	Nov. 30, 2023	
04	Last date of submitting Enrollment form/Exam Form for regular & carry over exams Examination fee for both semesters and examination/carry over examination fee	Dec. 30, 2023	
06	Last date of submitting Sessional marks of Theory & Practical to University.	Jan. 20, 2024 For all III (Except B. Tech, B. Pharm & MBA, MCA), V, VII and IX Semesters	May 30, 2024 for IV (Except B. Tech, B. Pharma), VI, VIII & X Semester students
		Feb. 25, 2024 For I Semester of all the courses and III semesters of B. Tech, B. Pharm, MBA, MCA	Jul. 20, 2024 for All II, IV (B. Tech, B. Pharma, MBA, MCA) Semester students
07	End Semester Theory Examination	Jan. 05, 2024 to Jan. 31, 2024 For all III (Except B. Tech, B. Pharm & MBA, MCA), V, VII and IX Semesters	May 25, 2024 to Jun 20, 2024 for IV (Except B. Tech, B. Pharma, MCA, MBA), VI, VIII & X Semester students
		Feb. 25, 2024 to Mar. 20 2024, For I Semester of all the courses and III semesters of B. Tech, B. Pharm, MBA, MCA	Jul. 20, 2024 to Aug. 10, 2024 All II, IV (B. Tech, B. Pharma, MBA, MCA) Semester students
08	End Semester Practical Examination (PE)	Feb. 01, 2024 to Feb. 07, 2024 For all III (Except B. Tech, B. Pharm & MBA, MCA), V, VII and IX Semester	Jun. 21, 2024 to Jun. 25, 2024 for IV (Except B. Tech, B. Pharma, MBA, MCA), VI, VIII & X Semester students
		Mar. 21, 2024 to Mar. 26, 2024, For all I Semester and III semester (B. Tech, B. Pharm, MBA, MCA)	Aug. 11, 2024 to Aug. 17, 2024 for All II, IV (B. Tech, B. Pharma, MBA, MCA) Semester students
09	Last date for Submission of PE Marks.	Feb. 15, 2024 For all III (Except B. Tech, B Pharma & MBA, MCA), V, VII and IX Semesters	Jun. 28, 2024 for IV (Except B. Tech, B. Pharma, MBA, MCA), VI, VIII & X Semester students
		Mar. 31, 2024 For all I Semester and III semesters (B Tech, B Pharma, MBA, MCA)	Aug. 20, 2024 for All II, IV (B. Tech, B. Pharma, MBA, MCA) Semester students
10	Evaluation of Answer sheets	Jan. 15, 2024 to Feb. 20, 2024 For all III (Except B. Tech, B. Pharm & MBA, MCA), V, VII and IX Semester	Jun. 07, 2024 to Jun. 28, 2024 for IV (Except B. Tech, B. Pharma, MBA, MCA), VI, VIII & X Semester students
		Mar. 10, 2024 to Apr. 10, 2024, For all I Semester and III of B. Tech, B. Pharm, MBA, MCA	Aug. 02, 2024 to Aug. 30, 2024 for All II, IV (B. Tech, B. Pharma, MBA, MCA) Semester students
11	Summer Training/Internship		Jul. 01, 2024 to Aug. 20, 2024
12	Winter Vacations/Summer Vacation	Feb. 08, 2024 to Feb. 15, 2024 For all III (Except B. Tech, B. Pharm & MBA, MCA), V, VII and IX Semester	Aug. 21, 2024 to Aug. 31, 2024
		Mar. 27, 2024 to Apr. 03, 2024, For all I Semester and III semester (B. Tech, B. Pharm, MBA, MCA)	
13	Commencement of Classes session 2024-25	For III, V, VII & IX Semester Sept. 01, 2024	

* As per the Revised Academic Calendar of AICTE Advt. No.: Regulation Bureau/AICTE/03(02)/2023 dated 17-10-2023.

IMPORTANT NOTES:-

- The Institute shall ensure minimum teaching hours as prescribed in the University ordinances for each semester. If required, the Director/Principal shall arrange extra classes, on weekends/holidays.
- The Institute should ensure that at least two class tests are conducted after completing 1/3rd & 2/3rd syllabus respectively. All students will be required to appear in both first- and second-class tests. If, for any reason beyond the control of students such as illness, tragic incident in family, the student fails to appear in any test, it will be the responsibility of the Principle/Director of the Institute to arrange make up class test for such students. If the student fails to appear in first class test, his makeup class test will be conducted before second class test and in case of second-class test at least one month before the start of end semester theory examination. The duration of class test will be minimum one hour for each class test, 70% attendance at 1st test and 75% attendance at second class test is required. In case attendance is short, parents be informed accordingly on monthly basis.
- The Director/Principal of Institute shall ensure the submission of attendance of students regularly through Attendance Monitoring System (AMS) of the University and shall ensure that no student is allowed to appear in the examinations who has not attained the minimum required attendance as per norms prescribed in relevant ordinances. It will be obligatory on the part of the Director/Principal of the Institute to detain such students and their admit cards will not be issued to them. A list of students detained from appearing in University Examination(s) be submitted to their Examination center before the commencement of the theory examination.
- The teachers who are assigned evaluation duty during vacation shall be entitled to earned leave as per rules and duty leave for other examination related works assigned by the University.
- The loss of syllabus for the newly admitted third semester B.Tech & B.Pharm students has to be COMPULSORILY made up by the institutes by conducting extra classes in early morning/late evening/Sunday/holidays.

S.Y:5th Sept 2023- 30th June. 2024
F.Y: 13 Jan 2024 Sept- 20th June 2025
Start of Second Year 1st Sept 2023
Start of First Year 3rd Jan 2024
Submission of Affiliation form 2nd 2024
Enrollment of candidates 20th feb 2024

ACCOUNT DEPARTMENT

Mr. Manoj Kashyap efficiently manages the Accounts Department of the Saraswathi college of pharmacy by overseeing all financial operations with precision and transparency. He ensures the smooth collection of tuition fees, hostel fees, and other payments while maintaining accurate financial records. Under his supervision, the department prepares the annual budget, processes staff salaries, and handles vendor payments. He also manages scholarships, ensures compliance with tax regulations, and conducts financial audits. With his expertise, the college maintains financial stability, allowing for better resource allocation and institutional growth. His dedication ensures that all financial transactions are well-documented and in accordance with regulatory guidelines.

Name of Staff: Mrs. Manoj Kashyap

Designation: Accountant

Qualification: BA Economics

Experience: 12 years

COLLEGE LIBRARY

Mr. Manoj Kumar efficiently manages the Library Saraswathi College of Pharmacy, ensuring a well-organized and resourceful learning environment for students and faculty. He oversees the acquisition, cataloging, and maintenance of books, journals, and digital resources, making sure that the library stays updated with the latest academic materials. Under his supervision,

the library operates smoothly, with proper book issuance, returns, and record-keeping. He also implements policies for library usage, promotes digital learning resources, and ensures a quiet and productive study space. His dedication helps enhance the academic experience by providing easy access to knowledge and research materials.

Name of Staff: Mrs. Manoj Kumar

Designation: Librarian

Qualification: M.A, B.Lib

Experience: 16 years

COMPUTER LABORATORY

Mr. Ravi efficiently manages the Computer Laboratory at Saraswathi College of Pharmacy, ensuring smooth operation and maintenance of all computer systems and related equipment. He oversees the installation and updating of software, ensuring that students have access to the latest technology for academic and research purposes. Under his supervision, the lab remains well-organized, with proper scheduling for student usage, internet access, and troubleshooting of technical issues. He also ensures cyber security, system backups, and compliance with IT regulations. His dedication helps create a productive learning environment, enabling students to enhance their technical skills in pharmaceutical studies.

Faculty Name: Mr.Ravi Sharma

Designation: Computer operator

Qualification: MCA

Experience: 8 year

Mr. Imran

***DEPARTMENT
OF
PHARMACOLOGY***

DEPARTMENT OF PHARMACOLOGY

Pharmacology: Science of drug's action on biological systems and their clinical use

Pharmacology is the branch of biology concerned with the study of drug action, where a drug can be broadly defined as any man-made, natural, or endogenous (from within the body) molecule which exerts a biochemical or physiological effect on the cell, tissue, organ, or organism. The Department of Pharmacology provides a vibrant and dynamic environment for conducting high quality research and teaching. The knowledge derive from pharmacology can be used in "Pharmacy" for effective implementation of pharmacotherapy for diverse disease conditions, patient counseling in-vivo, in vitro, preclinical screening and clinical trials etc. The department has well established animal house giving all the necessary care & facilities for hygienic housing of laboratory animals like Wistar rats and Albino mice required for study. The department has more than 100 research publications in national and International Journals. The scope of pharmacological training opens a wide range of employment opportunities to the pharmacy students in hospital pharmacy, academia, industry and government organization etc.

Major Research Interest

The Pharmacology Laboratory has facility for advanced research in the field of preclinical and clinical Pharmacology. The major research areas include Phytochemical, Immunopharmacological, Toxicological, Neuropsychological and behavioral studies.

Facilities

No. of Laboratories 03

Each Laboratory Area 80 Sq. mtr

Area of Instrument Laboratory 80Sq. mtr

List of Major Equipment: The laboratory is well equipped with latest instruments like Sophisticated Digital Video Tracking System, Digital Plethysmometer, Digital Actophotometer, Rota-Rod Apparatus, Elevated Plus Maze, Y-Maze, Radial Arm Maze, Electric Convulsometer, Digital Analgesimeter, Histamine Chamber, Tissue Homogenizer with Other Routinely Required Instruments Like Digital Student's Organ Bath And Kymograph etc., to give hands on experience in preclinical studies to the students.

FACULTY

Faculty Name: Dr. Puneet Kapoor
Designation: Professor
Qualification: M. Pharm, Ph.D.
Area of Specialization Pharmacology
Experience: 4 years Teaching and 13 years industry.

Faculty Name: Ms. Neha
Designation: Assistant Professor
Qualification: M. Pharm
Area of Specialization Pharmacology
Experience: 4 years

Faculty Name: Mr. Ajay Kumar
Designation: Assistant Professor
Qualification: M. Pharm
Area of Specialization Pharmacology
Experience: 5 years

Faculty Name: Mr. Vishal Kumar
Designation: Assistant Professor
Qualification: M. Pharm
Area of Specialization Pharmacology
Experience: 1 year

Faculty Name: Mr. Vishal Kumar
Designation: Assistant Professor
Qualification: M. Pharm
Area of Specialization Pharmacology

Experience:3 years

Faculty Name: Ms. Sweta Rani
Designation: Assistant Professor
Qualification: M. Pharm
Area of Specialization Pharmacology
Experience:6 year

***DEPARTMENT
OF
PHARMACEUTICS***

DEPARTMENT OF PHARMACEUTICS

Pharmaceutics: Art and Science of dosage form design pharmaceutics is the scientific discipline concerned with the process of creating the dosage form of a therapeutic that is to be used by patients. It encompasses drug formulation and manufacturing. Pharmaceutics is the science of dosage form design. There are many chemicals with known pharmacological properties but a raw chemical is of no use to a patient. Pharmaceutics deals with the formulation of a pure drug substance into a dosage form. Branches of pharmaceutics include: Pharmacokinetics, Pharmacodynamics, Pharmacoepidemiology, Pharmacogenomics, Pharmacovigilance, Pharmaceutical formulation and pharmaceutical technology.

Research Interest

Preformulation Studies, Physics of Tablet, Nasal Dosage Forms, Microsponge, Niosomes, Self Microemulsifying Drug Delivery System, Fast Dissolving Tablets, Sustained Release Formulations, Nanoparticles, Crystallization Techniques, Solubility Enhancement etc.

Facilities: Pharmaceutics

No. of Laboratories 04

Each Laboratory Area 80 Sq.mtr

List of Major Equipment

Hot melt Extruder, Tray Dryer, Coating Machine, Film Former, Probe Solicitor, Disintegration Test Apparatus, Dissolution Test Apparatus, Capsule Filling Machine, Cooling Centrifuge, Stability Chamber, Digital Optical Microscope, Tablet Compression Machine, Vacuum Oven, Homogenizer, KBR Press, Magnetic Stirrer with Hot Plate, Colony Counter, Electrical Water Bath, Mechanical Stirrer, Melting Point Apparatus, etc.

FACULTY

Faculty Name: Dr. Shaswat Kansal
Designation: Professor
Qualification: M. Pharm, Ph. D
Area of Specialization Pharmaceutics
Experience: 5 years Teaching and 11 years Industry

Faculty Name: Mrs. Sonam
Designation: Associate Professor
Qualification: M. Pharm

***DEPARTMENT
OF
PHARMACOGNOSY***

Department of Pharmacognosy

Pharmacognosy: Devoted to natural and folklore holistic health

Pharmacognosy as "the study of natural product molecules that are useful for their medicinal, ecological, gustatory, or other functional properties." The Department of Pharmacognosy is dedicated to natural and herbal medicinal product research in pharmaceutical sciences. The use interdisciplinary approaches to identify, analyze, and purify multi-component mixtures from plant, fungal, or marine sources focusing on the characterization of their bioactive secondary metabolites. Natural products research often comes across many hurdles, which dims the drug development goals. We believe that natural products research information can potentially benefit many researchers involved in this area. Further researchers believe in combining the strengths of Ayurveda with modern scientific techniques such as NMR, MS and chromatographic techniques to provide new functional leads with high therapeutic value in a short span of time. This department deals with the study of biology, chemistry, biochemistry, taxonomy, and ethnobiology of natural products obtained from plant, animal, marine and other life origins. Pharmacognosy has undergone significant change in recent years and today represents a highly interdisciplinary science, which is one of the major pillars of pharmaceutical education. Areas of active interest include natural products chemistry, isolation, characterization and biological studies of phytoconstituents using animal models, herbal cosmetics, novel herbal formulations, and their standardization.

Major Research Interest

- Drug discovery and lead generation from natural sources.
- Development of formulation methods, standardization and stability studies of herbal drugs, Herbo minerals, nutraceuticals and cosmeceuticals of natural origin.
- General quality control methods for crude drugs and protocol development for specific medicinal plant materials.
- Development of technologies for natural products involving extraction, isolation and quantification.
- Ayurvedic formulation development and standardization with novel approaches.
- Biological evaluation and validation of medicinal plants in various therapeutic areas like antiacne, antidiabetic, immunomodulatory, antioxidants, antiulcer, and anti-inflammatory.

Facilities

No. of Laboratories 01

Each Laboratory Area 80 Sq.mtr

***DEPARTMENT
OF
PHARMACEUTICAL
CHEMISTRY***

Department of Pharmaceutical Chemistry

Pharmaceutical Chemistry: Discover and Develop new drug therapies that can improve quality of life

Pharmaceutical chemistry is concerned with the design of drugs or compounds that are able to provide an influence on some medical condition. The department is well equipped to introduce these fundamental subjects to the students so that a strong foundation is laid at the very beginning. This foundation serves as the building block for all other subjects in the entire B. Pharm course. The students are well prepared with the application of modern information and scientific technologies in drug development safety and efficacy studies. There are well equipped laboratories for undergraduate students and research labs for postgraduate students. The department is well equipped with necessary instruments and engaged in study of different aspect of drugs like physical, chemical, analytical, organic, inorganic, biochemical, medicinal etc.

Major Research Interest

Drug Design, QSAR Study, Synthesis of Different Drugs,

Facilities

No. of Laboratories 04

Each Laboratory Area 80 Sq.mtr

List of Major Equipment

High Performance Liquid Chromatography, Fourier-transform infrared spectroscopy, Gas Chromatography, Double Beam UV- Visible Spectrophotometer, Digital Photostability Chamber, Parallel Synthesizer, Deep Freezer, Microwave oven for synthesis, Refractometer, Centrifuge Machine, Ice Making Machine, Digital Electronic Balance, Colorimeter, Rotar Vacuum Evaporator, Digital Flame Photometer, Digital Fluorimeter, Digital Polarimeter, Digital Potentiometer, pH Meter with Magnetic Stirrer, Spectro colorimeter, Digital. Nephalo turbidometer, Melting Point Apparatus, Ultrasonicator, Double Distillation Apparatus, Dissolution Apparatus, Disintegration Apparatus, Antibiotic Zone Reader, Capsule Filling Machine etc.

ANNUAL REPORT

COLLEGE AMENITIES

i. Computer Center

The internet is transforming society and shaping the future through chat. Using technology in pharmacy is very useful for the pharmaceutical profession; It is useful for the patient profile monitoring, the drug interactions, the medication, the database management, the material management, the drug information services.

At Saraswathi College of Pharmacy we have air-conditioned labs enabled with internet and licensed software applications connected in network. Wi-Fi facility is provided as another mandatory thing so students are not restricted to labs or spend money in café for projects and Programming. Computer Laboratory with 24×7 Net connection.

Maintained By: -

Computer Lab Assistant: Mr. Ravi

ii. Library

In Pharmacy education, library use does appear independent contributions to desirable outcomes of the institution. Pharmacist today face challenges to ensure access and rational use of efficacious, quality, and safe medicines and health technologies; Strengthening and harmonization of pharmacy education is essential for the development of basic medical and pharmaceutical sciences to serve the society. Libraries are pivotal in supporting and achieving the mission of higher education in today's information world and to make students information literate.

Our library wardrobe consist enormous quantum of books split between authors, topics, subjects, magazines and newspapers. An entire silent zone with mechanized search system is serviced by librarian who is skilled enough to handle all concerns of students.

Qualified Library staff as per AICTE & PCI Norm. Spacious and rich library services are provided to the students with access to e-journals and text books. Total Library area-465 Sq.mtr, Reading Room area: -260 Sq.mtr, Stack Room area: -108 Sq.mtr Separate Reading Room for Faculty and students having seating capacity of 150, Separate Reference Section and In- house Digital Library. Library has a rich collection of e-books, animations & presentations on numerous topics which can be accessed easily by the students. The library is kept open for the students from morning till late in the evening. Library is equipped with Library Management software (OPAC). This software helps to keep complete track of Books, Periodicals, and Journals etc & is divided into different modules so that you can choose as per your requirement. The library is updated every year and newer journals, books and abstracts are added to it. This helps the faculty members and students to keep themselves abreast of recent developments in the pharmaceutical sciences.

SUMMARY OF BOOKS AND JOURNALS

A) BOOKS

B) JOURNALS

Name of Journals	No. Of Journals
National Journals	3
International Journals	12
Total No. Of Journals	15

iii. Medicinal Plant Garden

Plants have been used for medicinal purposes long before prehistoric period. Evidence exist that Unani Hakims, Indian Vaidas and European and Mediterranean cultures were using herbs for over 4000 years as medicine. Indigenous cultures such as Rome, Egypt, Iran, Africa and America used herbs in their healing rituals, while other developed traditional medical systems such as Unani, Ayurveda and Chinese Medicine in which herbal therapies were used systematically. The college has well maintained “Charak Medicinal Plant Garden” with approximately 110 endangered and bio-diversified medicinal and folklore plants. The students visit and maintain the garden as per the curriculum and enhance their knowledge.

iv. Animal House

The college has well established animal house approved by CPCSEA, giving all the necessary care & facilities for hygienic housing of laboratory animals like Wistar rats and mice required for preclinical studies.

v. Transport

Separate transport facilities are inherently equal. With resident hostel students Saraswathi College of Pharmacy also has non-resident Hapur locals. An equally important transport facility is completely managed by our institution not involving any 3rd party or vendor at this role. Pick and drop is arranged as per timings of college curriculum with one security always in bus traveling with the students. In order to cover the entire city sufficient numbers of buses are stocked in the campus.

vi. Canteen

Not only the body but the soul should also be fulfilled by the quality of food. Every ward desire & has a right for food which is hygiene and healthy. We believe when a student's stomach is happy; half way is achieved in their progress.

Viii. Auditorium

Our college auditorium is an essential facility designed to support modern, technology-based education. It is fully equipped and has a seating capacity of 550. Additionally, the seminar hall features an advanced mounted projector and screen.

Students can also utilize the auditorium's audio, video, and recording systems with prior permission.

viii. Hospital

Saraswathi college of Pharmacy is also providing the hospital facilities for their students, SCOP is having MOU signed with Saraswathi college of medical science (SIMS), Hapur for any kind of medical facilities to be provided.

ix. Sports Ground

The campus has facilities of cricket, volleyball and football ground.

x. First Aid Room:**First Aid Room**

The First Aid Room at our college provides immediate medical assistance to students and staff when needed. Regular health check-ups are conducted under the supervision of a specialized doctor.

Facilities and Equipment:

- Digital Blood Pressure Monitor
- Stethoscope
- Weighing Scale (Digital & Manual)
- First Aid Box
- Glucometer
- Wheelchair

Our First Aid Room ensures prompt medical care and a safe environment for everyone on campus.

CO-CURRICULAR ACTIVITIES

INDUCTION PROGRAMME

Student Induction Programme:

The college successfully organized Student Induction Programme for newly admitted students of First Year D. Pharm., B. Pharm.

The primary objective of this program was to help freshers adapt to the new academic environment with ease and confidence. Through interactive sessions, students were introduced to the institution's vision, academic structure, and various curricular and extracurricular activities. This initiative played a crucial role in fostering a sense of belonging and encouraging active participation in college life. The event was successfully coordinated by Mrs. Neha and Mr. Nishant Gaur.

Freshers of First year were warmly welcomed and introduced to the college campus, faculty members and the course of Pharmacy as a profession.

HOSPITAL VISIT

As the role of pharmacists continues to evolve toward a more clinical focus programs are incorporating hospital training to enhance students' exposure to safe, effective, and cost-efficient drug therapy. With this objective in mind, students visited hospitals to gain practical experience in patient care.

INDUSTRIAL VISIT

Industrial visits are a crucial part of technical education, providing students with practical exposure to industry operations and requirements alongside their theoretical learning. To gain first hand industry experience, students of B.Pharm and D. Pharm second year from Saraswati College of Pharmacy, accompanied by two faculty members, visited Yakult Pvt. Lmt, on 10th September 2023. This visit offered valuable insights into pharmaceutical industry practices, helping students bridge the gap between academics and real-world applications. The visit was successfully coordinated by Ms. Anu and Mr. Harendra Nivtya.

WORLD PHARMACISTS' DAY CELEBRATION

Saraswathi College of Pharmacy, Anwarpur, celebrated World Pharmacists Day on 25th September 2023 to recognize and appreciate the vital role of pharmacists in enhancing global health. The theme for the year, "*Pharmacist Strengthening Health System*," emphasized the positive impact of pharmacy on healthcare and aimed to foster unity within the profession.

The event featured creative student contributions through artistic poster displays, along with an awareness rally. Students and faculty visited medical stores, distributing pamphlets and engaging with both citizens and pharmacists to highlight the significance of the day.

ANNUAL REPORT

HANDS-ON WORKSHOP ON HIGH PERFORMANCE LIQUID CHROMATOGRAPHY UV-VIS SPECTROPHOTOMETER

Our college organizes a practical, hands-on workshop on High-Performance Liquid Chromatography (HPLC) and UV-VIS Spectrophotometry to provide participants with in-depth knowledge and technical expertise in analytical instrumentation.

This workshop offers:

Live demonstrations and hands-on training on HPLC and UV-VIS Spectrophotometer.

Guidance from industry experts and experienced faculty.

Practical applications in pharmaceutical, chemical, and research fields.

This initiative aims to bridge the gap between theoretical knowledge and practical implementation, enhancing students' analytical skills.

PLANTATION DRIVE

Saraswathi College of Pharmacy participated in Tree Plantation Drive on 12th July 2023 at PIU- Ghaziabad to promote environmental sustainability. Faculty, students, and staff actively participated, planting saplings of various native species. The event included awareness talks on afforestation and climate change. Collaboration with local NGOs and authorities enhanced the initiative. Regular maintenance of saplings will be ensured by student volunteers. The drive was a great success, fostering responsibility towards a greener future.

GUEST LECTURE ON PAPER, PATENT WRITING AND COPYWRITE

An orientation session on **Paper & Patent Writing and Copyright** was conducted by **Dr. Rupesh Dudhe, Principal, Adarsh College of Pharmacy** to educate faculty and students on research publication and intellectual property protection on 13th march 2024.

The session covered:

Research Paper Writing – Structure, journal selection, plagiarism prevention, and peer review.

Patent Writing & Filing – Patent types, application process, prior art search, and commercialization.

Copyright Protection – Legal rights, fair use policies, and infringement issues.

The session provided valuable insights into **publishing high-quality research, protecting innovations through patents, and understanding copyright laws**. Participants gained practical knowledge on **academic writing, intellectual property filing, and ethical publishing practices**.

GUEST LECTURE ON ADVANCEMENT IN PHARMACOLOGY

Programme Overview:

This orientation by **Dr. Minakshi Bhatt (S BS PG College, Dehradun)** and **Dr. Ravi Prakash (Gurukul Kangri University, Haridwar)** session aims to provide insights into the latest advancements in pharmacology, including innovative drug discoveries, precision medicine, and cutting-edge therapeutic approaches. The session will focus on the integration of modern research in drug development and its impact on healthcare.

New Drug Discoveries – Recent FDA-approved drugs, breakthrough medications, and drug repurposing strategies.

Targeted Therapies – Precision medicine, monoclonal antibodies, gene therapy, and personalized drug treatments.

Emerging Trends in Pharmacology – AI-driven drug design, nanomedicine, immunotherapy, and pharmacogenomics.

Regulatory & Ethical Considerations – Drug approval processes, clinical trials, and safety regulations.

Future of Pharmacology – Innovations in biotechnology, RNA-based therapies, and novel drug delivery systems.

EXTRA-CURRICULAR ACTIVITIES

INDEPENDENCE DAY CELEBRATION

Independence Day is celebrated every year on August 15 to honor India's freedom from British rule in 1947. This historic day marks the transfer of legislative sovereignty to the Indian Constituent Assembly following the enactment of the Indian Independence Act, 1947, by the UK Parliament, establishing India as the world's largest democracy.

On this special occasion, Honorable Vice-Chairperson Mrs. Ramaya Ramachandran and Secretary M. Natarajan of Saraswati College of Pharmacy graced the celebration, adding to the spirit of patriotism and pride.

EARTH DAY CELEBRATION

"East or West, Planet Earth is the Best."

Earth Day, observed annually on 5th June 2024, serves as a global reminder of the importance of environmental protection and sustainability. To mark this occasion, Saraswati College of Pharmacy organized various activities to promote awareness and responsibility toward preserving our planet.

SPORTS WEEK

The Sports Week from 07-09 Nov. 2023 for pharmacy faculty and staff was organized by Saraswati College of Pharmacy, bringing together participants for a series of exciting and competitive events. Held on the lush green cricket ground of SCOP, the tournament showcased outstanding sportsmanship, teamwork, and enthusiasm. The event aimed to promote physical fitness, camaraderie, and a spirit of healthy competition among faculty and staff.

YOGA DAY CELEBRATION

"Yoga is the art of awareness on the canvas of the body, mind, and soul."

A healthy mind begins with a healthy body. To promote physical, mental, and spiritual well-being, International Yoga Day was celebrated with enthusiasm. The event aimed to detoxify the negative influences of an unhealthy lifestyle and encourage holistic wellness. Participants engaged in a rejuvenating yoga session, embracing the essence of yoga for a balanced and healthier life.

DIWALI CELEBRATION

Saraswathi College of Pharmacy celebrated Diwali – The Festival of Lights with great enthusiasm and joy on . The event aimed to promote cultural values, unity, and festive spirit among students and faculty.

WOMEN'S DAY CELEBRATION

International Women's Day (IWD) is a global celebration recognizing the social, economic, cultural, and political achievements of women. It also serves as a call to action for accelerating gender equality.

On this special occasion, Saraswati College of Pharmacy organized various activities to honor and empower women, fostering awareness about their contributions and advocating for gender parity. The event witnessed enthusiastic participation, emphasizing the importance of unity, progress, and inclusivity in society.

HOLI CELEBRATION

Saraswathi College of Pharmacy celebrated Holi – The Festival of Colors with immense enthusiasm and joy on . The event aimed to spread happiness, unity, and cultural harmony among students and faculty.

WORLD LEPROSY DAY

World Leprosy Day is observed annually to raise awareness about leprosy, eliminate stigma, and promote early diagnosis and treatment. This day serves as a reminder of the need for collective efforts toward a leprosy-free world.

To mark the occasion, Saraswati College of Pharmacy organized an awareness campaign educating students and the community about leprosy prevention, symptoms, and available treatments. Faculty members and students actively participated in discussions and outreach programs, emphasizing the importance of early medical intervention and social acceptance for those affected. Event was successfully coordinated by Ms. Anu on 30th Jan. 2024.

WORLD CANCER DAY

World Cancer Day is observed annually on February 4th to raise awareness about cancer, promote prevention, early detection, and treatment, and support those affected by the disease. The day serves as a global initiative to unite individuals and communities in the fight against cancer.

To mark this occasion, Saraswati College of Pharmacy organized an awareness campaign focusing on cancer prevention, risk factors, and the importance of regular screenings. Students and faculty actively participated in discussions, poster presentations, and interactive sessions to spread awareness and encourage a healthy lifestyle for cancer prevention. Event was successfully coordinated by Ms. Prankshi on 05th Feb. 2024.

INTERNATIONAL DAY OF WOMEN AND GIRLS IN SCIENCE

International Day of Women and Girls in Science, observed annually on February 11th, recognizes the vital role of women and girls in the fields of science, technology, engineering, and mathematics (STEM). The day aims to promote gender equality in scientific research and encourage more women to pursue careers in science.

To commemorate this occasion, Saraswati College of Pharmacy organized an inspiring event highlighting the contributions of women in science and innovation. The event featured guest lectures, interactive discussions, and student presentations, emphasizing the importance of empowering women in scientific fields. Faculty members and students actively participated, fostering awareness and motivation for future women scientists. Event was successfully coordinated by Mr. Nishant Gaur on 12th Feb. 2024.

NATIONAL SCIENCE DAY CELEBRATION

National Science Day, observed annually on February 28th, commemorates the discovery of the Raman Effect by Sir C.V. Raman, highlighting the importance of scientific research and innovation in India. The day serves as a platform to promote scientific awareness and encourage young minds to explore the world of science.

To celebrate this occasion, Saraswati College of Pharmacy organized various activities, including guest lectures, scientific exhibitions, and interactive sessions, to inspire students toward scientific inquiry and innovation. Faculty members and students actively participated in discussions on the latest advancements in science and technology, reinforcing the significance of research and its impact on society.

SARASWATI POOJA CELEBRATION

Saraswati Pooja, a sacred celebration honouring Goddess Saraswati, the deity of wisdom, knowledge, and learning, was joyously observed at Saraswati College of Pharmacy. The event aimed to invoke divine blessings for academic excellence and intellectual growth.

Students, faculty, and staff participated in the traditional pooja and rituals, offering prayers for wisdom and enlightenment. The atmosphere was filled with devotion as hymns and chants resonated, creating a spiritually uplifting experience. The celebration reinforced the significance of education and the pursuit of knowledge in one's life.

STUDENT COUNSELING CAMP

Saraswati College of Pharmacy organized a Student Counselling Camp to provide guidance and support for students in their academic, personal, and professional journeys. The camp aimed to address mental well-being, stress management, career planning, and personal development, ensuring students receive the necessary assistance to overcome challenges.

Experienced counsellors and faculty members engaged with students through interactive sessions, offering valuable advice and strategies to help them build confidence, resilience, and a positive mindset for a successful future. The event was successfully coordinated by Mr. Yogesh Kumar.

MEDICAL CHECK-UP CAMP

In an effort to promote health and well-being, Saraswati College of Pharmacy organized a Medical Check-Up Camp for students, faculty, and staff. The camp aimed to raise awareness about preventive healthcare and provide essential health screenings.

A team of medical professionals conducted general health check-ups, including blood pressure monitoring, blood sugar testing, BMI assessment, and basic consultations. Participants were encouraged to adopt a healthier lifestyle and take proactive steps toward their well-being. The initiative was well-received, reinforcing the importance of regular health check-ups for a healthier future.

RESULT ANALYSIS

B. PHARM

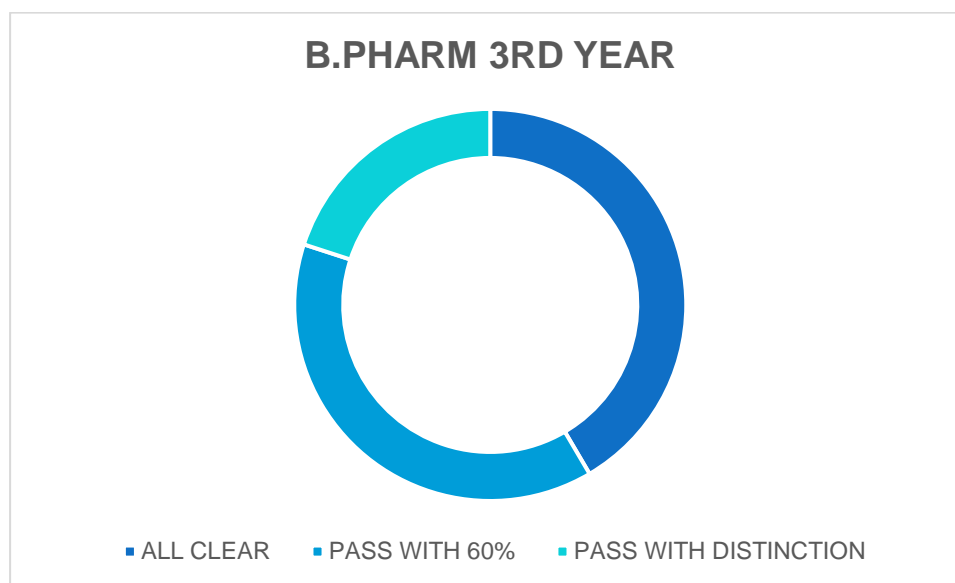

- ❖ The **B. Pharm 1st Year** result is represented in the donut chart. It categorizes students into three groups based on their performance:
- **All Clear (Blue Segment)** – Students who passed without backlogs.
 - **Pass with 60% (Light blue Segment)** – Students who secured at least 60% marks.
 - **Pass with Distinction (sky blue)** – Students who scored above a distinction threshold (typically 75% or more)

- ❖ The **B. Pharm 2nd Year** result is represented in the donut chart. It categorizes students into three groups based on their performance:
- **All Clear (Blue Segment)** – Students who passed without backlogs.
 - **Pass with 60% (Light blue Segment)** – Students who secured at least 60% marks.
 - **Pass with Distinction (sky blue)** – Students who scored above a distinction threshold (typically 75% or more).

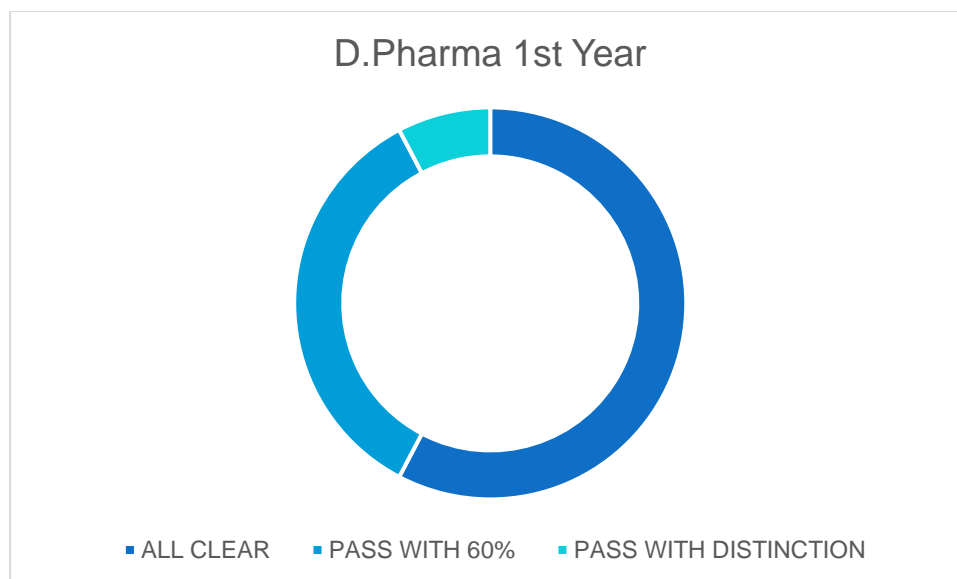

- ❖ The **B. Pharm 3rd Year** result is represented in the donut chart. It categorizes students into three groups based on their performance:
- **All Clear (Blue Segment)** – Students who passed without backlogs.
 - **Pass with 60% (Light blue Segment)** – Students who secured at least 60% marks.
 - **Pass with Distinction (sky blue)** – Students who scored above a distinction threshold (typically 75% or more)

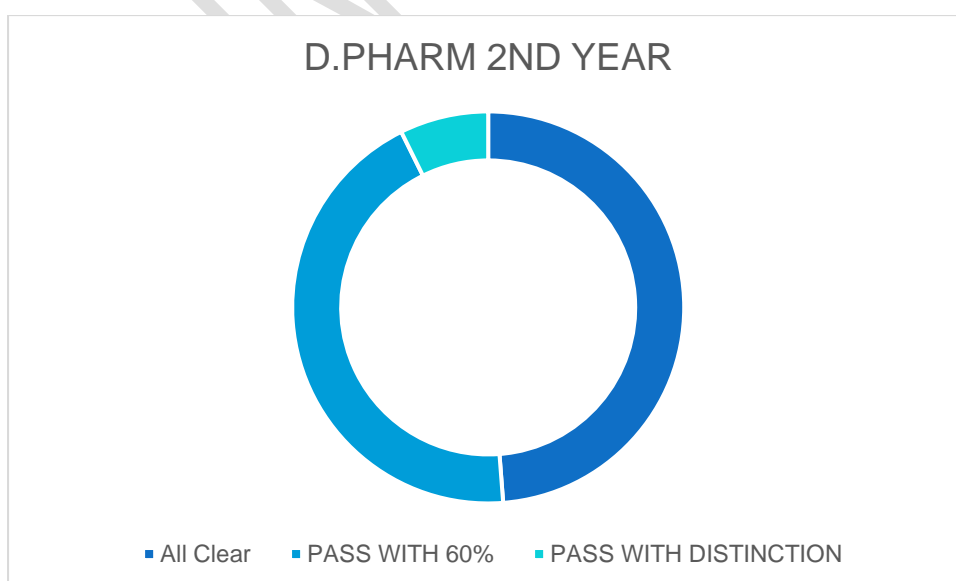

D.PHARM

- ❖ The **D. Pharm 1st Year** result is represented in the donut chart. It categorizes students into three groups based on their performance:
- **All Clear (Blue Segment)** – Students who passed without backlogs.
 - **Pass with 60% (Light blue Segment)** – Students who secured at least 60% marks.
 - **Pass with Distinction (sky blue)** – Students who scored above a distinction threshold (typically 75% or more)

D.PHARM

- ❖ The **D. Pharm 2nd Year** result is represented in the donut chart. It categorizes students into three groups based on their performance:
- **All Clear (Blue Segment)** – Students who passed without backlogs.
 - **Pass with 60% (Light blue Segment)** – Students who secured at least 60% marks.
 - **Pass with Distinction (sky blue)** – Students who scored above a distinction threshold (typically 75% or more)
